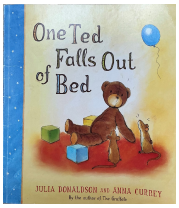
Ladybirds Class News



This week in Ladybirds class, we have been exploring the theme of Remembrance Day. We used printing to create poppy pictures, read a sensory version of the poem 'In Flanders Fields', investigated sensory trays, and in Outdoor School we looked for red leaves that had fallen to create a poppy collage. We also began reading our new story 'One Ted Falls Out of Bed' by Julia Donaldson. Children enjoyed exploring the story props and counting how many of each toy there were.. On Wednesday, Children were all fantastic for our first swimming session and really enjoyed being in the water. They are building confidence with climbing in and out of the pool and going underwater. This week, we also learned about people who help us in our My Well-being lesson. Children identified different jobs such as doctor, firefighter, and police officer, and enjoyed playing dress-up!
