

Meeting Individual Needs

22 October 2020

Dear Parents/Carers

Southall Information for Year 6 Parents/Carers

This information in this letter is for anyone applying or considering a place for their child at Southall School.

You will have recently received information about applying for your child's secondary school place. Can we please remind you that the closing date for applications is **31 October 2020**. Please let us know if you need any help with your application.

All Year 6 Parents/Carers have had (or will have) the opportunity to speak with a member of Southall staff at their transition annual review meeting with Haughton School.

Southall School are currently producing a virtual tour which will be uploaded to their website soon. However, in the meantime, please feel free to look at a video (link below) which was produced by them for our 2019/2020 school leavers. The video will help to give you an initial feel for the school.

www.southallschool.com/transition/

If you would like more information about Southall School, please telephone them on **01952 387600** and they will arrange for you to have a telephone conversation with a member of their Senior Leadership Team.

If you then feel that you still need to see Southall School in person, they can arrange a show around at the end of a day when students have gone home. Obviously, they are trying to limit visitors to the school as much as possible and would encourage you to watch the video and ask any questions by telephone in the first instance.

We will let you know when their new virtual tour is ready for you to watch.

Many thanks

Yours sincerely

Gill Knox (Mrs)
Headteacher
