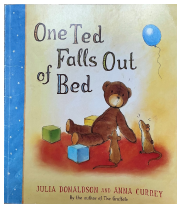
Ladybirds Class News



This week in Ladybirds class, we have continued to read the story 'One Ted Falls Out of Bed'. Children have been practising counting and adding more, and we created short sentences about the story. Some children have also enjoyed role play with putting the teddies to bed. For our Cooking lesson this week we made muffin pizzas and had a doll tea party, like the teddy does in the story. We have also been exploring the theme of Kindness this week. Children enjoyed making 'Kindness Pies', thinking about how we can be kind to others. We have also been sorting kind and unkind behaviours. In Outdoor school this week, we planted some crocus bulbs which we will hopefully be able to observe growing and flowering in Spring. Children enjoyed their second swimming lesson and look forward to a further three weeks of swimming every Wednesday.
