

Dragonflies 13..11.26

This week we have been exploring remembrance and we were so proud of everyone during the 2 minutes silence, they were amazing. We have been looking at shapes and building some very interesting towers. We have been exploring lots of different pieces of music in dance sessions during PE. In outdoor school we used natural materials to make rangoli patterns and enjoyed a sensory story about Diwali. We have been raising money for children in need by wearing our own clothes and we joined in with some really fun activities including making Pudsey hats with ice cram cones and icing sugar and counting the sweetie dots.
