

On the Twelfth Day of Christmas my True Love Sent to Me

17 November 2020

Dear Parents/Carers

### HAUGHTON SCHOOL – CHRISTMAS PERFORMANCE VIDEO

Unfortunately due to the current Coronavirus restrictions, Christmas at Houghton School will be a little different this year – it won't stop us having lots of festive fun though! We have some lovely activities and events planned for the children between now and Christmas.

Sadly, we are unable to put on our usual Christmas performances, when we would invite families into school to watch, so instead we are making a very special Christmas video!

Children will be performing their parts in their normal class bubbles, which will be videoed and edited into a whole school performance of '12 Days of Christmas'.

All children will be taking part, however in order for your child(ren) to appear in the video, we require written consent from you. The finished video will be uploaded onto our Houghton School Facebook page, Houghton School YouTube channel and Houghton School website, so that all our families have the opportunity to watch and enjoy it.

Can you please complete and return the consent form below as soon as possible.

Many thanks.

Yours sincerely

**Ella Thomas (Miss)**  
Assistant Headteacher
