

## *Meeting Individual Needs*

11 December 2020

Dear Parents/Carers

### **New School Lunch Menu**

We are very pleased to be able to share our new school lunch menu with you!

We have worked very closely with the school Chef and have taken on board feedback and requests from parents/carers, children and staff to develop the new menu.

The menu will start after the Christmas holiday and is on a 3-week rolling basis. This will ensure we can offer a variety of tasty, nutritionally balanced and 'child friendly' meals for all children to enjoy.

Meal options are varied and have a strong focus on fresh fruit, vegetables and salad - a full, extensive salad bar will continue to be available daily. Where possible, food will be presented in a 'deconstructed' way - for example, pasta, sauce and cheese can be chosen and served separately. We believe this will give children more options to customise their lunches, based on their personal preferences as well as encouraging them to try different foods.

As well as fruit, yoghurt, cheese & biscuits, there will be another daily pudding choice, however these have not yet been confirmed. We will update the menu and let you know the choices as soon as we can.

Menus will be uploaded onto Cypad before the end of term and you should continue to order meals in the same way please. There is no change to the price of a school meal (£2.30).

If your child currently receives 'beige menu' options and you think the new menu choices are not a suitable alternative, can we please ask you to contact the school office.

Many thanks.

Yours sincerely

Gill Knox (Mrs)  
Headteacher
