

Class 12

14.3.25

Literacy

In Literacy this week we have continued our work on Charlie and the Chocolate Factory and have been working on our recall of events and characters. The children used adjectives to describe the chocolate room in the factory and then designed their own edible dream room thinking again about adjectives and their favourite foods.

Topic

This week in Topic we have finished learning about the Aztec society and also learnt about the Mayans. We discussed the Aztec societal

hierarchy and gave ourselves roles in class. Then we made masks in the style of the Mayans thinking about colour and design.

P.S.H.E.

In PSHE, Class 12 have been learning about emergency first aid. We tested each others knowledge on what an emergency is and what to do in different emergency situations. The children then learnt how to put someone in the recovery position.

P.E.

In P.E. this term we are focusing on teamwork alongside our ball skills. The children have been taking part in obstacle courses practicing their throwing and dribbling. We have also been playing lots of team games to encourage our teamwork skills and collaboration. The children have been cheering on their friends and giving them tips on how to improve.

Don't forget!

Class 12 have P.E. on a Tuesday and Thursday. All children need appropriate P.E. kit including shoes for outdoor lessons
