

## Topic

This week the children have continued our topic Chocolate. This week the children have been learning about the countries that produce chocolate. We have been finding them on maps and discussing their climate and position to the equator. The children have also been learning about the Fairtrade foundation and how this organisation helps people all over the world. Next week we will start to design our own chocolate bar.

## Numeracy $\times \div$

MULTIPLICATION  
DIVISION

This week in Numeracy the children have continued to focus on Multiplication and Division. The children have been working on multiplying and dividing by ten and five. Some of the children have also been learning written forms of multiplication.

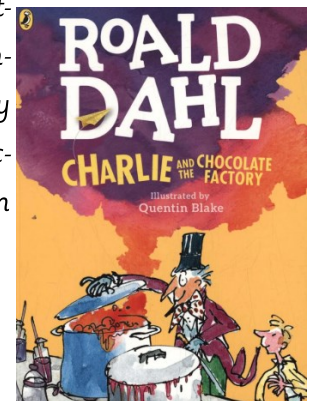

## Story Time

This week the children have continued to listen to *Kids on the Run* by Barbara Mitchell.

## Literacy

This week in Literacy the children have been reading *Charlie and the Chocolate Factory* by Roald Dahl. The children have been learning to describe characters and settings using adjectives and similes. The children have also been describing characters actions. The children used their acting skills to demonstrate what they believe the characters would do in different scenarios.

P.E is on Mondays and Fridays.

Homework is Reading, Spellings and Literacy.

# Have a Great Weekend
