

Class 8

21.3.25

Literacy

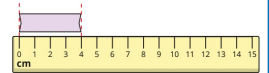

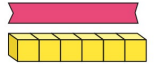

In literacy we have continued reading our story *The Snow Queen* and have been handwriting a list of unusual/exotic animals we would like to have as pets.

Numeracy

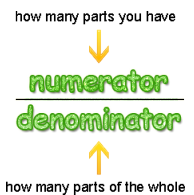

In Numeracy some of us have been working on length and height and have been:

- ◆ Using terms such as tall/short, tallest/shortest, or taller/shorter when comparing height
- ◆ Measuring length using objects such as cubes
- ◆ Measuring length using centimetres
- ◆ Comparing length and height

Some of us have been working on fractions and have been:

- ◆ Understanding the denominator of fractions

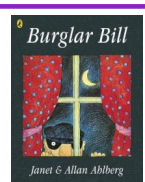

Topic

This week in topic we have continued exploring buildings from around the world and have this week travelled to China. We have listened to information about the features of the different homes in China and what influenced the design. We have also been looking at and talking about unique buildings and had lots of fun using a range of junk modelling materials to create our own 3D unique home.

Storytime

This week we have continued reading the story 'Burglar Bill' by Janet and Allan Ahlberg.

Have a
great
weekend!
