

9.5.25

# Class 7

## Literacy

In Literacy this week, we have continued reading *The Emperor's new clothes*.

The children have found out some of the Emperor's likes and dislikes and have talked about their own likes and dislikes.

The children have had fun being fashion designers this week and designed some fantastic outfits for the Emperor's royal procession.

## Numeracy

In Numeracy we have been working on Multiplication and Division. Some children have been:

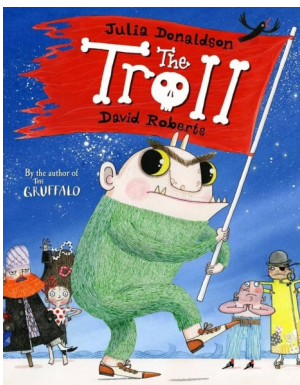

- Counting in 2s
- Counting in 5s
- Counting in 10s
- Making equal groups
- Making doubles

## Topic

In our topic "freeze it" the children designed and made their own ice cubes. They enjoyed adding various colours and items to the ice cube tray. The children predicted what will happen to the water once it goes in the freezer. The children had fun during the experiment timing how long their ice cube took to melt.

## Storytime

This week our story has been "The troll" by Julia Donaldson.
