

Class 6

09.05.25

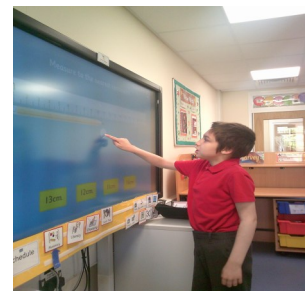

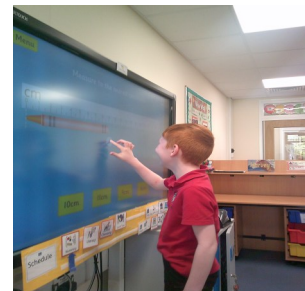

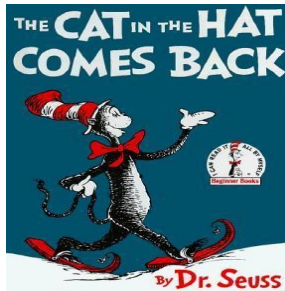

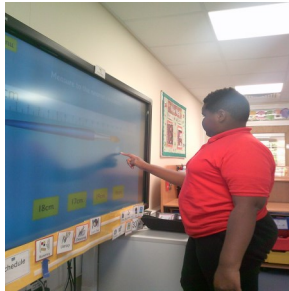

The children in Class 6 have had a fantastic week.

In numeracy, the children have continued with their new topic based on length and height. The class have been practising measuring items with a ruler and their confidence is improving.

In literacy, the class have completed their first of the month books based on a picture of 'May Day.' In SPAG, the children have been learning about British garden birds.

In topic this week, the children have continued to study their new topic called 'Bright Sparks.' The children have been learning where electricity comes from, and they have been learning about electrical safety. In addition, the children have toured the school taking photos of items that need electricity to work. The children really enjoyed this part of the topic.

This week the children have been listening to 'The Cat in the Hat Comes Back' by Dr. Seuss. The children enjoyed listening to the adventures of the mischievous cat.

Have a great weekend!
