

## News from the Hollinswood Hub: 16<sup>th</sup> May 2025

Hello and welcome to more news from the hub.

What a fantastic week it has been!

This week, we have been trying to get outside and enjoy the sunshine as much as we can-in between lots of hard work of course!

  
Literacy

## Literacy

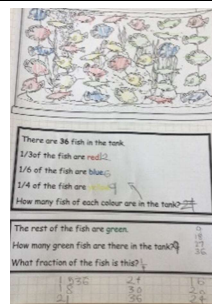

In Literacy this week, we have been organising information using subheadings.

Next week, we will be using our headings to research information for our biographies.

  
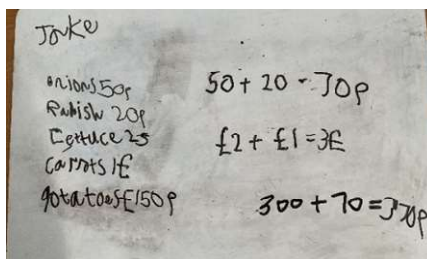

Maths

## Maths

In Maths, we have come to the end of our work on fractions. Everyone did really well in the end of unit quiz and applied what they had learnt about fractions to a rather 'fishy' investigation.

Also this week, we had a great morning working with children in the Key Stage one hub using our Maths skills to buy seeds from our shop.

Once had paid for our seeds, we planted them in the garden.

# PE

We had a great PE lesson this week! As it was nice and sunny, we all went outside to practise our running, jumping and throwing skills ready for Sports Day. The key stage one children joined in too.

PIC•COLLAGE

# Music

As the weather has been so lovely this week, we decided to have our Music lesson outside too. Emily brought lots of percussion instruments for us to play a *Sunshine Samba* tune. It was great fun!

PIC•COLLAGE

On Wednesday, Ryleigh, Alexia-Rae and Miss Bueno set off for their residential trip to the Pioneer Centre. We hope they are having a fantastic time and we are looking forward to hearing all about their exciting adventures.

Finally, we couldn't possibly end this week without a special mention of these two absolute super stars! George and Jake have been working so hard to complete their year 6 SAT tests this week and we are incredibly proud of them both. **Well done, boys- enjoy a well-earned rest this weekend.**
