

16.5.25

Class 7

Literacy

In Literacy this week, we have continued reading *The Emperor's new clothes*.

The children have designed some fantastic new crowns for the royal procession.

The children also had fun being fashion designers and choosing items of clothing to wear and describe.

The children enjoyed making a menu of all their favourite foods to eat.

Numeracy

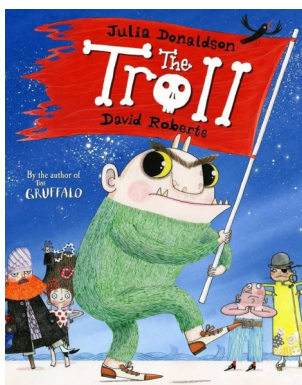

In Numeracy we have been working on Multiplication and Division. Some children have been:

- Counting in 2s
- Counting in 5s
- Counting in 10s
- Recognising equal groups
- Making equal groups

Topic

In our topic "freeze it" the children placed the ice cubes they had made in zip lock bags and we placed them in various areas of the class room. The children enjoyed the investigation and could predict which area would make the ice cube melt faster.

Storytime

This week our story has been "The troll" by Julia Donaldson.
