

Children have enjoyed their first week back at school. We have explored sand, yogurt and milkshake powder, black couscous and pom poms within sensory explore.

In Literacy and Topic we have learnt about the Muslim festival of Eid ul-Adah. Children have listened to the story, acted out elements of it and made cards.

In Numeracy children have been counting in multiples and counting on from given numbers.

In Art children have continued their weaving. They really enjoy the 'poking through' activity and have started to make a dream catcher.

We got a little bit damp at Outdoor school this week as it started to rain but the children still enjoyed it. Fortunately, we had made a shelter that we were able to have our drink and snack under.

Can I just remind everyone that we start out swimming sessions next week. You should have received a letter home. You will also have received a letter regarding parents evening.
