Literacy

In Literacy this week we have been introduced to our new book “The Hodgeheg” by Dick King Smith. The children made predictions about what they think the story could be about.

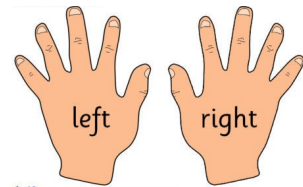

The children also listened to some interesting facts about hedgehogs and answered some questions.

They also created some wonderful spikey hedgehogs of their own using various materials.

Numeracy

In Numeracy we have been working on Position and Direction. Some children have been:

- Describing turns
- Describing positions - left and right
