

## News from the Hollinswood Hub: 13<sup>th</sup> June 2025

Hello again, and welcome to another week of news from the hub. As always, everyone here has been working really hard and we have seen some great work this week. Here are a few of our highlights.

### Maths

## Maths

In Maths this week, Ryleigh and Alexia-Rae has been applying what they have learnt about money to a super shopping activity. The girls had to use their addition skills to find the total cost of the item they wanted to buy then work out how much change they should have using their knowledge of subtraction.

### Literacy

## Literacy

In Literacy this half term, we are learning how to write explanation texts. This week, we have started by looking at some examples of explanations and identifying the key features. This will help us to understand what we will need to include in our own writing.

## Art/DT

In his link class, Jake has used clay and other materials to create his impressive Egyptian death mask using ideas from his work in History.

## Music

## Music

We have all been really lucky in Music this week!

We have been doing so well in our Music lessons that we were allowed to join the orchestra to practise a song we are learning with our link classes.

Meanwhile, Jake and Mrs Telford have been practising their flute playing.

We will be back with more exciting news soon.
