

# Class 12

16.6.25

## Literacy

This week in Literacy we have continued our work on cinquain poetry. The children have used their learning to write their own poems about a subject of their choice remembering the rules of a cinquain poem.

Flowers  
Colorful, fragrant  
swaying, growing, blooming  
Make me feel happy.  
Blossoms

## Numeracy

In Numeracy this week we have completed our work on fractions. All the children have made great progress with their recognition of fractions and have shown they are able to identify and complete fractions of shapes when looking at halves, quarters and thirds.

## Topic

Topic

History

We have started our final Topic of the year this week - Scavengers and Settlers. Over the coming weeks the children will be learning about how historians find out about past civilisations and what clues we can uncover about past generations using sources. We will also become historians to explore how early humans adapted and learned new skills to survive, as well as looking at early settlements.

To begin our Topic, the children thought about our basic needs and how these are met. We then considered how these needs would have been met hundreds of years ago when life looked very different! The children thought about what people would have used for shelter, what they would have eaten and how they would cook, what clothes people wore and what they did for fun.

Scavengers and Settlers

Don't forget!

Monday 16th: Parents Evening

Wednesday 18th: Sports Day PM
