

# Class 8

4.7.25

## Literacy

In literacy we have continued reading our story *The Hodgeheg* and have been listening to road safety information and have also been sorting images into groups of safe and unsafe places to cross a road. We have been designing road safety posters and have also had lots of fun listening to short spoonerism poems.

## Numeracy

In Numeracy some of us have been working on number and place value and have been:

- ◆ Adding one more within 10
- ◆ Understanding 10
- ◆ Comparing groups by matching
- ◆ Identifying one more and one less within 20
- ◆ Counting from 20 to 50

1 less	13	1 more

Some of us have been working on statistics and have been:

Class	Number of children
Class 1	     
Class 2	 
Class 3	     
Class 4	
Class 5	  

Key  
 = 1 child

- ◆ Interpreting pictograms

Some of us have been working on shape and have been:

- ◆ Identifying a right angle

## Topic

This week we have been scientists and have worked well to plan and conduct two investigations. We have been investigating 'which surface does a toy car travel the furthest on' and 'what material should be used to make the best shadow puppets'.

## Storytime

This week we have been reading the story 'The Slightly Annoying Elephant' by David Williams.
