

19.09.25

Class 4

Literacy

In Literacy, the children have enjoyed listening to the next chapter of 'Beauty and the Beast'. They focused on using adjectives to describe Belle and used colourful semantics to construct simple sentences. The children also created a missing persons poster and focused well to include important information.

In Storytime, the children listened to 'The Baddies' by Julia Donaldson.

Numeracy

This week in Numeracy, the children have continued to work hard. They have completed counting activities using the ten frames to find the total number of items. Some children have enjoyed practising counting in tens. They have grouped items into tens and ones and have started to use base 10 to represent two-digit numbers.

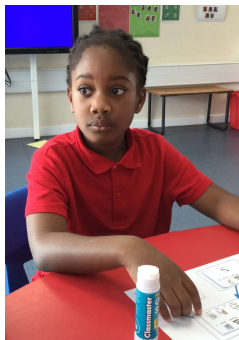

PSHE

In PSHE, the children have continued to work on our jigsaw puzzle piece: Being Me in My World. They have talked about being a school citizen and what that means to them. The children have thought about the adults who work within school and the different roles that they have. They have shown an understanding that everyone plays an important part in making Houghton School special.

Topic

As part of our topic 'People of the Past' the children have been learning about Alexander Graham Bell. They have listened carefully to facts about his life as an inventor and enjoyed designing their own inventions. The children looked at a selection of old and new telephones and completed a sorting activity. They enjoyed making their own telephones out of paper cups and string.

Have a lovely weekend!
