

Class 14

19.9.25

Literacy

This week in Literacy we have started learning about concrete poetry. The children have been identifying the theme of example poems and beginning to write their own around a theme.

Numeracy

In Numeracy this week we have been working on our number and place value skills. We have been ordering numbers and rote counting in different denominations.

P.E.

This half term in P.E. we are learning how to play dodgeball. Last week we worked on our passing skills focusing on our chest and bounce pass. This week we have been working on our dodging skills. The children worked in teams to dodge being caught in games and dodge balls being rolled at them!

Topic

We have been learning about our ears and how we hear this week in our 'How Humans Work' Topic. We learnt about the different parts of our ear and how vibrations travel through the air to produce soundwaves. The children then enjoyed making their own instruments using rubber bands to experiment with volume and pitch.

Don't forget!

No swimming Wednesday 24th! Swimming will resume Wednesday 1st October for Class 14
