

Class 6

19.09.25

The children in class 6 have had a fantastic week.

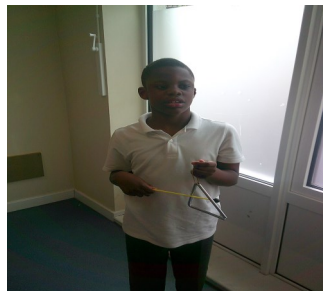

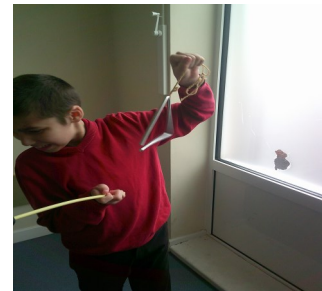

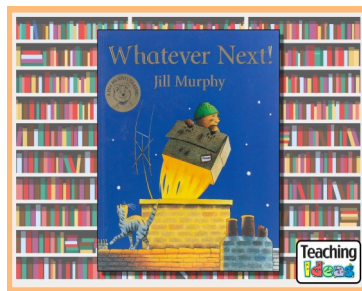

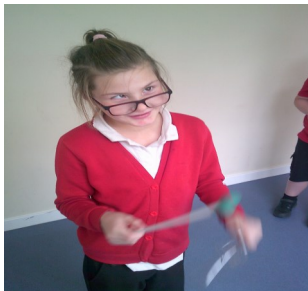

In numeracy, the children have continued with their topic on place value. The children have been identifying numbers up to 5, 10, 20, 50, 100 and 1000. The children have been using a wide range of resources to test their understanding.

In literacy, the class have continued with their text, 'Theseus and the Minotaur'. The children have used a range of adjectives to describe the character of the Theseus and they have used computers to research the island of Crete, where the myth was set.

This week the children have been listening to 'Whatever Next' by Jill Murphy. The class enjoyed listening to Baby Bear's adventures to the moon.

In topic, the children have continued with their new topic, 'How Humans Work.' This week, the children have been learning about the ears and sound. The Class have conducted a range of experiments to see how sound travels.

In Music, the children have started to use Djembe's to learn about African drumming. The class will receive four sessions that are delivered by Telford and Wrekin Music Service.

Have a great weekend!
