

Welcome

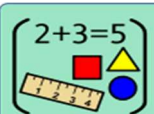

Hello and welcome to more news from the hub!

We have had an amazing week as the children continued to work hard in all areas of their learning.

Computing

Over the past few weeks, Miss Powell has been teaching us about E-safety and how to stay safe on-line. We really enjoyed singing the safety song and we are now confident in identifying different types of technology. We have also enjoyed exploring the floor robots, called Beebots. Although we initially found programming them a little tricky, we didn't give up and we can now create a simple code

Maths

In maths, the year 2 children have been comparing numbers using the 'greater than, less than' symbols. While the year 1 children have been comparing numbers using fewer / same/ more

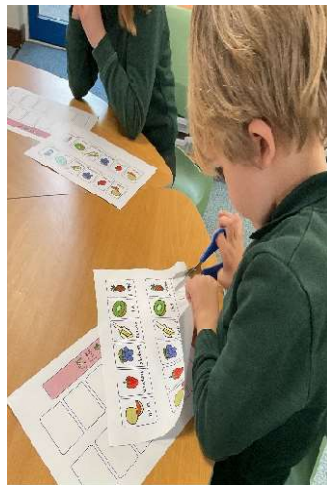

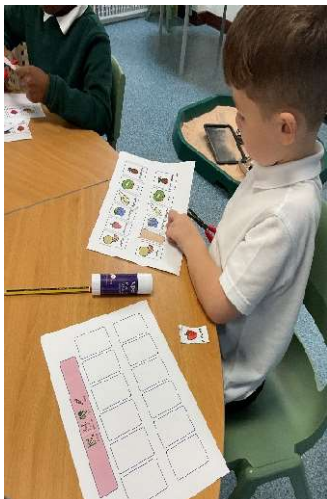

Music

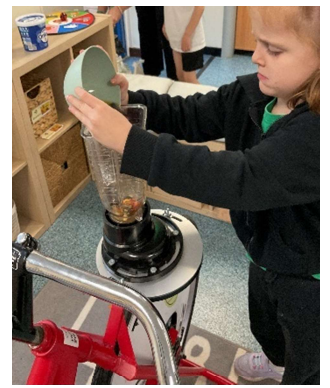

In music this week, we have continued to sign, sing and hold a beat. We used the theme of the 'rainforest rhythms' to sing and hold a beat, using our bodies and small percussion instruments. We have made lots of progress in listening, taking turns and playing in unison, well done everyone!

In topic, with a D.T focus, we continued to explore 'Superheroes'. We explored a range of different fruits and vegetables and discussed how to identify them as a fruit or a vegetable. We also thought carefully about why we need to eat a healthy diet, and the superpowers fruit and vegetables have in helping us to grow and develop strong and healthy bodies. We then designed, made and tasted our own fruit kebab.

In addition to making our delicious fruit kebabs, we were invited to use Hollinswood's 'Smoothie bike'. The Smoothie bike is a bike with a food blender attached to the front wheel. Once we had chopped our favourite fruits, we had great fun in peddling the bike to make the food blender turn and blend our fruit together.

Reminders-

- Please bring reading books and diaries into school daily.
- P.E is on a Monday and Tuesday. Children to wear their P.E kit into school.

Thank you for all

your

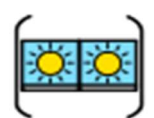

hard work!

Have

a fabulous

weekend!
