

Newsletter 14th November 2025 Class 3

This week in Class 3 we have explored Autumn through play.

We collected lots of leaves and used them to explore the season changes and when they had dried out, the children loved getting messy when making pictures with their leaves!

We made some lovely Autumn pictures by painting our hands and using the hand prints to add tails on the squirrels and the legs of the fox!

The children have also enjoyed taking part in relaxing yoga this week and exploring colourful lights in the dark!

We have been doing lots of work on being kind friends this week and the children have played really well together developing their social skills.

Our class bear Honey, has enjoyed playing and doing activities with us in the classroom.

Wishing you all a lovely weekend!
