

Class 6

21.11.25

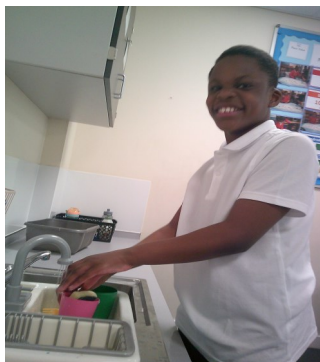

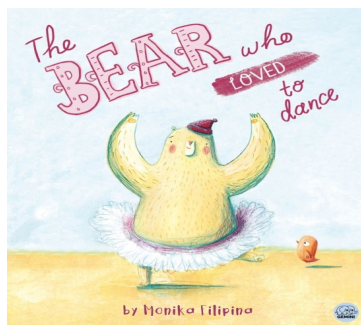

The children in class 6 have had a fantastic week.

In numeracy, the children have continued with their topic based on subtraction. The class have been developing their understanding of subtraction by using a variety of visual resources and some children have moved up to subtraction to twenty.

This week, the children have started to read their new text called 'The Diary of a Killer Cat.' The children have been answering questions about why they had to have a funeral for the bird after Tuffy had killed it.

The children really enjoyed their multi-sensory session this week. Apart from our bubbles and eating multi-sensory, the class were treated to a foot spa. The children had a fantastic time and they are excited that this will be added to our weekly sessions.

This week the children have been listening to 'The Bear who Loved to Dance' by Monika Filipina. The class felt sorry for Bear as he was shunned by the other animals for a variety of dances, but they were happy when Bear excelled at ice skating. A nice end to the story.

Have a great weekend!
