

Class 6

28.11.25

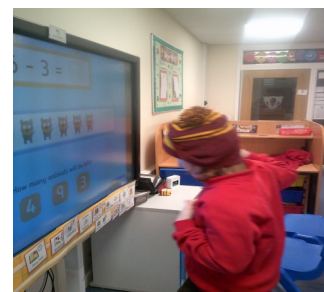

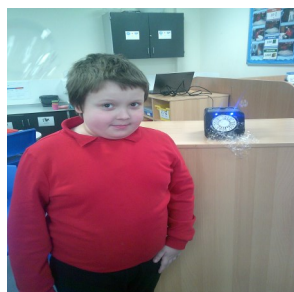

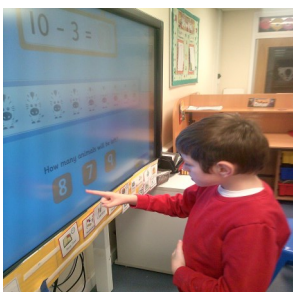

The children in class 6 have had a fantastic week.

In numeracy, the children have continued with their topic based on subtraction. The class have been using number lines and blocks to subtract from twenty.

This week, the children have continued to read their new text called 'The Diary of a Killer Cat.' The children have been describing what Tuffy's mood would be at the funeral and why mom and dad were so cross with him.

The children have continued to enjoy their multisensory session this week. The children explored the texture of jelly and shredded wheat. In addition, they had the bubble machine, sand tray, soft materials and the pasta tray.

This week the children have been listening to 'Whadayamean' by Monika John Burningham. The class have joined the children to look at the world, to see how humans are destroying it. God wanted the children to tell people to stop polluting, chopping down the rainforests and to stop fighting so that the world could go back to being healthy and green.

Have a great weekend!
