

We've had a fantastic week in Class 9, and we are so proud of all the children for their amazing efforts!

The children explored the South African djembe drums. They discovered how tapping different parts of the drum makes high and low sounds, and how we can play softly or loudly.

Our story massage this week was The Very Hungry Caterpillar. The children joined in beautifully, using their kind hands to help tell the story. It was wonderful to see them so engaged and enjoying the journey from tiny caterpillar to beautiful butterfly.

In our topic lessons, we continued learning about the food we get from animals. The children had the chance to taste different items such as ham, cheese, and eggs. There were lots of happy faces as they explored new flavours and textures.

*Have a lovely weekend,*

Mrs Clarke and the Class 9 team. 😊
