

Class 12!

Class 12 used technology this week to look at different Continents of the world. The Children were tasked to each find one item in each Continent which they thrived at the challenge!

In Literacy we are on the Chapter 'Friday' towards the end of the book. The children have been working on their punctuation skills this week identifying Capital letters, Full stops and Question marks! We have also been looking at different, more exciting adjectives to describe Tuffy.

In Numeracy this week our 3 groups have been looking at 'Fact families within 10' 'Systematic Number bonds within 10' and 'Related facts using single and double digits'. The Children grasped these objectives very well this week, well done!

We have been practicing our singing rehearsals for the Christmas play in the hall this week, Class 12 have sung brilliantly and transitioned to and from class lovely. The children have also been practicing their lines on stage which have been amazing!

Class 12 have been a joy to take swimming for the last 5 weeks. The Children took pride in getting themselves changed and involved in the sessions, we are so pleased.

We hope you all have a brilliant weekend, Class 12 Team 😊
