

Class 14

28.11.25

P.S.H.E.

In P.S.H.E. we have been looking at power struggles and what classifies as bullying.

The children have been listening to

scenarios and deciding who has the power and whether bullying is taking place.

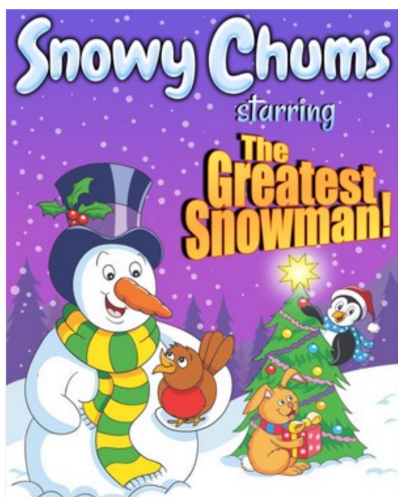

Numeracy

This week in Numeracy we have started to look at money. The children have been matching coins to their value and showing how much each coin is worth. Some

children have been combining coins to make an amount.

The children have been working so hard on their parts in the Christmas play! We have been rehearsing our speaking parts, acting and singing in the hall. All the

children have done so well learning the lyrics and signs to the songs and we can't wait to showcase our hard work!

Literacy

We have continued reading The

Diary of a Killer Cat this week and our work on punctuation. The children have been finding different punctuation marks in the story and writing their own sentences about the story using accurate punctuation.

 capital letters	 full stops	 inverted commas	 question marks
 blue	 red	 green	 yellow

Don't forget!

Please return all permission slips to school ASAP for Christmas disco, performance and pantomime trip :)
