

Class 14

5.12.25

Literacy

We have been working on our use of adjectives this week whilst reading *The Diary of a Killer Cat* and identifying character emotions.

The children have written sentences thinking about their punctuation from previous lessons and their presentation.

Topic

As part of our Explorers and Adventurers Topic, this week the children have been exploring maps in a variety of ways.

We have used programmed BeeBots to give directions, created our own maps and explored maps in

different forms - on Google Maps, on VR headsets and paper maps, identifying the features such as rivers, roads, buildings and water.
