## Literacy

This week we have continued to read "What the Jackdaw saw" by Julia Donaldson.

We have been using our imagination thinking of where we would go if we were Jackdaws. The children worked hard to list what they may see in their chosen place. We have also made some beautiful pictures of our chosen destinations and verbalised what we have drawn.

## Numeracy

This week the children have been working on number and place value. Some children have been:

- Subitising 0 to 5
- Counting within 20
- Understanding 10.

## Topic

We have continued our topic "From A to B" the children took part in a travel survey and asked their friends how they travelled to school and completed a pictogram.

The children also enjoyed using a map to travel to different parts of school.

## Storytime

This week we have been reading "The Secret of Black Rock" by Joe Todd-Stanton.

Have a great Weekend!
