

Class 6

06.03.26

The children in class 6 have had a fantastic first week back after the holiday.

In Numeracy, the children have continued with their new topic based on multiplication. The children have been using a range of resources to develop their knowledge.

This week, the children have completed their first of the month books. The visual they have written about was a picture of a spring day. The children described the flowers and talked about the trees gaining their greenery.

On Thursday, the children visited The British Ironworks Centre in Oswestry. The children had a fantastic day and they really enjoyed looking at the different sculptures. The weather was perfect and apart from looking at the sculptures, the children really enjoyed playing on the park.

This week the class have been listening to 'The Little Boat' by Kathy Henderson. The class liked following the adventures of the little boat and its trip across the oceans.

Have a great weekend!
