

## Class 12!

*This week we have been putting together bouquets for Mother's Day. The children have all designed their own flowers and have taken good care in colouring them in.*

*In Numeracy this week we have been developing our knowledge on place value. Our groups have been looking at '1 more and 1 less to 20', 'flexibly partitioning numbers to 100' and 'using a number line to 1000'. The children have showed great partitioning skills this week and number line skills 😊.*

*We were very fortunate this week to go to the British Ironwork Centre linked to our Literacy work. The children were so excited by all the huge sculptures and were so well behaved we were all so proud. We used maps to find our way around as the place was very big!*

*PE for Class 12 will now be on Tuesdays and Fridays so please can you send appropriate clothing!*

*We hope you have a super weekend and see you all on Monday 😊!*
