

Class 6

13.03.26

The children in class 6 have had a fantastic week.

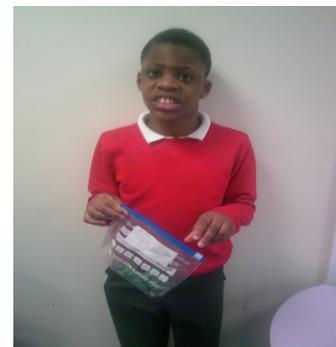

In Numeracy, the children have continued with their new topic based on multiplication. Some of the children can multiply up to 100. In addition, some of the class have been making their own multiplication puzzles to solve.

This week, the children have started to read their new text, *Treasure Island*. The children have met the main characters and they have started to make their own treasure island, starting with a palm tree.

The children in class 6 have had a very craft based week. They have been making a lot of treats ready for Mother's day. The children are really excited to bring their work home on Friday.

In topic, the class have been planting runner beans. The children are trying to grow runner beans in a zip lock bag that are hung on the windows and in a plastic beaker.

This week the class have been listening to a different story every day. The children have enjoyed listening to a variety of genres and looking at the different styles of illustration.

Have a great weekend!
