

Class 4 – Newsletter – 13/03/2026

Dear Parents and Carers,

We've had another busy week in class, full of new learning and fun activities.

This week in English we began reading *The Wind in the Willows*. The children have already shown so much curiosity about the characters and setting. We explored the opening chapter together, discussing what happened and creating sentence using colourful semantics.

In maths, we explored the concepts of heavy and light, using hands-on activities to compare different objects and talk about their properties. We also began learning about time, which led to one of the highlights of the week: playing **What's the Time, Mr Wolf?** The children absolutely loved it, and it was a

brilliant way to build confidence with reading and understanding time.

We also launched our new PSHE topic on friendship. The children thought about who their friends are and why.

Have a lovely weekend.
