

Newsletter 20th March 2026 Class 3

This week in Class 3 the children have been working really hard.

They talked about what their bedrooms looked like and chose what their favourite quilt covers would look like and what colour they would like their room to be. They shared this information in the group with their peers.

In Numeracy all our work has been related to Easter. The children did lots of counting; adding and subtracting or Easter eggs. Some of the children were practising writing their numbers too and matching quantities to a specific number.

In Literacy we have started to read the story of Easter and why we celebrate it. The children have sequenced the story and some have matched the pictures to a written description. All of the children enjoyed playing Easter bingo.

We have also been enjoying getting outside in the lovely sunshine. We had another scavenger hunt. The children wanted me to hide lots of pictures of bikes and I made them really tricky to find this time. They are getting very good at looking everywhere and helping their friends who might have missed a picture.

The children enjoyed exploring the outdoor school in the sunshine too. Have a great weekend.
