

Class 4 Newsletter – 20/03/26

Dear Parents and Carers,

We've had a fantastic week in class, filled with creativity and hands-on learning. The children particularly enjoyed making their very own clocks in maths to help them learn to tell the time. They showed great focus and enthusiasm, and it was lovely to see how proud they were of their finished creations.

As part of our work on *The Wind in the Willows*, the children followed step-by-step instructions to make colourful hot air balloons for Mr Toad. They worked brilliantly, showing excellent listening skills and creativity.

We also had a brilliant time celebrating Red Nose Day. The class took part in lots of fun activities, including a very popular game of *Pin the Red Nose on the Face*. There was plenty of laughter throughout the day, all while supporting a great cause

Have a wonderful weekend

Mr Turner
