

Non Uniform Day Friday 4th February

(Madeley site)

Wear Numbers!

To celebrate maths and raise money for the NSPCC, we will be supporting "NSPCC Number Day" on **Friday 4th February**.

We would love all children (and staff) to come to school wearing numbers, dressed up as a number or anything involving numbers in exchange for a donation to the NSPCC.

Please do not buy a new outfit/costume for your child(ren) - your child(ren) can wear a ONESIE or you can be creative with paper, stickers or material to create numbers!

On the day, all children will be doing lots of fun number based activities in their classes.

Please make donations via your child's ParentPay account. We are unable to accept any money sent into school. Thank you.

NSPCC  TM
Cruelty to children must stop. FULL STOP.

ChildLine
0800 1111 

The NSPCC's work is focused on helping those children in greatest danger and distress. The NSPCC believes that all children deserve a childhood free from harm. Sadly, many children's lives are far from happy

The Covid-19 pandemic has been a difficult time for everyone, but many children have been experiencing abuse and neglect at home, increased risk online and further pressures on their mental health. It's also had an effect on younger children, with an increase in children under 11 turning to the NSPCC ChildLine service for help with mental health issues.

The money raised from Number Day will help fund many services including ChildLine, the helpline for children and young people with nowhere else to turn.

**Thank you for supporting this worthwhile cause.
We are looking forward to a fun day!**
