

28.3.25

Class 7

Literacy

This week we have continued reading the Snow Queen. The children have been creating some Northern Lights art work.

The children have also recalled what has happened so far in the story and have worked hard to build sentences.

Numeracy

In Numeracy we have been working on addition and subtraction. Some of us have been learning:

- To add more
- To find numbers bonds to 10
- Addition problems
- To add together
- To find a part

Topic

This week the children have continued our topic "Buildings". We have looked at Vincent Van Gogh's famous "Starry Night" the children noticed the buildings within his painting. The children used vibrant colours, thick paint and concentrated on their brush strokes to complete some fantastic paintings.

Storytime

This week our story has been "Once upon a time" By John Prater.
