# Class 11

We had lots of fun on our Stone Age day, we created cave art, drew woolly mammoths, used home made natural paints and cooked a prehistoric feast to share with our 'village' Well done everyone for joining in and trying new things! We made oatcakes, honey biscuits, berry and honey jam and lentil soup, delicious 😊

In Literacy we finished Stone age boy and wrote some great descriptions of characters and settings using some really interesting adjectives

In Numeracy we have been finishing off our work on capacity, using standard units to measure quantities of liquids and comparing containers.

In story time we read *Elephants in the custard* by Samuel Langley-Swain. It's a funny story with a big message about sharing your troubles with a trusted adult, we linked this to our zones work about asking for support with our emotions.

Please can we ask that all children bring in a carrier bag next week to take home any work and belongings at the end of term which is Friday 18<sup>th</sup> July, thank you.
