

Class 6

10.10.25

The children in class 6 have had a fantastic week.

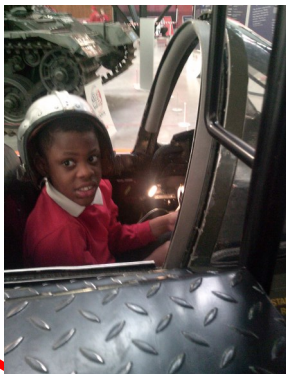

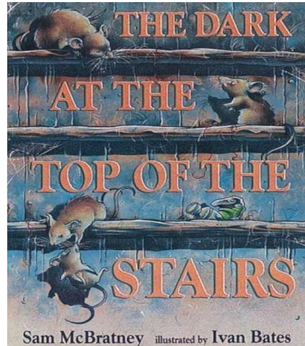

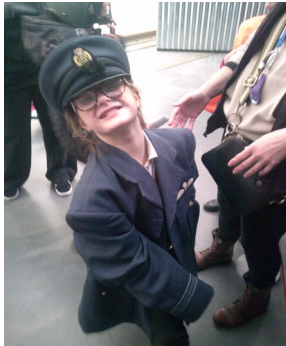

In numeracy, the children have continued with their new topic based on number bonds. The children have completed a variety of worksheets and interactive whiteboard games with some children progressing to number bonds up to twenty and some children working on number bonds up to one hundred.

In literacy, the class have continued with their text, 'Theseus and the Minotaur'. The children have been researching about Maze's. The class have designed and built their own maze's using LEGO.

This week the children have been listening to 'The Dark at the Top of the Stairs' by Sam McBratney. The class enjoyed listening to the adventures of the three little mice's trip to see the monster at the top of the stairs.

In topic, the children have continued with their topic, 'How Humans Work.' This week, the children have been learning about the heart. The class have been able to find their pulse and they know what happens to their heart rate when they have been exercising.

On Wednesday, year six children visited RAF Cosford where they took part in a STEM day. They built a rocket which they launched and they had the opportunity to sit in a cockpit of a real fighter plane.

Have a great weekend!
