Class 11

In class 11 this week we have been really busy working on our targets and topic work. We have collected Autumn leaves and made hedgehogs and Autumn tree pictures. We have been enjoying playing with the giant beach ball. We have had the parachute out and played lots of games working together. In PE we have been working on our ball skills scoring lots of goals with both our hands and our feet. We have also had lots of fun during our multi sensory sessions painting with balloons and finding things in the magic water. We have also had lots of new books and puppets in class this week which has led to lots of really great imaginative role play. Thank you for everyone who has sent in donations for our harvest table we will share the details of the donation on the website. Please can we request that you return any outstanding photo permission slips and shared learning invitations ASAP. As we are heading into Autumn please send in outdoor shoes / clothes for outdoor learning and a coat everyday because we like to get out and about as much as possible.
