

Class 12!

Class 12 have had a packed week full of enjoyment and activities! Our Year 6 pupils had the opportunity to go to Cosford in which they all behaved superbly and has so much fun.

In Literacy we have been looking at Theseus and the Minotaur. The children have come up with some great adjectives to describe the characters and they all have strong opinions on who they like and dislike!

The majority of our Children have moved on to a new target ready for next week, they all work super hard during target time so they can move on to the next one!
Well done!

Our Class have been given a new Teddy Bear in which the children have put forward some suggestions for names, we decided to go for Barry the Teddy Bear!

The Year 5's who were at school on Wednesday completed some exciting Science activities, involving electrical circuits, magnet making and building blocks which they all enjoyed!

Class 12 have developed their Ball Skills further this week, looking in more detail at stopping the ball using the sole of their feet. We did this through a Red and Green light game which all children participated well with 😊

We hope you all have a brilliant weekend, Class 12 Team 😊
