

Class 12!

Class 12 have been enjoying our Topic looking at the Human Body and in particular skeletons this week! We have had fun naming as many bones as we could and putting together our own skeletons in groups which are on our class window!

In literacy we have had our final lesson on Theseus and The Minotaur. We tried to put ourselves in the shoes of the children who were being taken away to the Minotaur. Class 12 came up with some super persuasive letters to Theseus to come and save the day!

Our class continue to demonstrate increased independence and initiative this week, when they finish their work, by choosing books to read at the front of the classroom whilst they wait for their peers to finish – well done everyone!

Class 12 have done superbly with their ball skills over the last few weeks and ended the week with a football match in the Hall, we introduced one rule, the children were all engaged and playing fairly which was lovely to see. 😊

Class 12 are swimming from the 22/10 so please may all parents/carers bring in suitable swimming costumes/trunks for their child.

We hope you all have a brilliant weekend, Class 12 Team 😊
