

Newsletter 17th October 2025 Class 3

This week in class 3 we have been continuing on from our Harvest assembly and we have been thinking about pumpkins. We scooped all the seeds from our pumpkins and we are going to dry them and save them ready to plant in the spring. We are hoping that we will be able to have a pumpkin patch next year to harvest from.

We learned which colours make orange and we painted our own pumpkins after we had mixed the paint.

We chopped up the pumpkins and roasted it. Some of the pumpkins were put in the outdoor school for our woodland friends to feast on. We then made our own soup and ate it with some crumpets. It was just what we needed as it was a chilly day.

We were all so happy that Macie was able to spend some more time in the hall for our PE lesson and she has worked really hard at using a bat and ball and working with a partner. We've been doing brilliantly at waiting our turn in the hall at lunchtime and have found that we can look at a book or play with a fidget toy during this time. Well done everyone.

Have the best weekend

From all of the team of Class 3
