

Class 14

17.10.25

Literacy

We have finished reading *Theseus and the Minotaur* this week. The children have been thinking about bossy verbs such as go, help and rescue to give Theseus instructions when in the maze. They have also been reasoning

about Theseus' actions and whether they agree with the choices he made in the story.

Numeracy

In Numeracy this week we have been working on our addition and subtraction. Different children have been working on different skills.

Blue and Green group have been practising writing addition numbers sentences within 20. Yellow and Red group have been working out addition within 100 using number bonds to 10.

White table have been doing column subtraction with 4-digit numbers.

Music

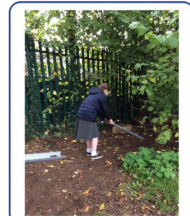

Mrs Williams came to Class 14 this week to teach us how to play African drums! We explored how to make different sounds with the drums and will continue to learn how to play over the next 4 weeks.

Outdoor School

We spent some time in our Outdoor School area this week.

The children explored the environment and used their imaginations to design games and challenges for each other.

Don't forget!

We have sent lots of letters home recently! (Clubs, trip to Attingham park, shared learning, photographs.) Can parents/carers ensure they have sent all relevant reply slips back to school ASAP please

Wednesday 22nd: Shared Learning 130-230pm
