Life

19/9/25

The children were excited to meet Otis the new school puppy this week, they were very respectful, keeping their distance and using quiet voices.

This week we concluded our story 'The Iron Man', it had a beautiful ending, focusing around peace and happiness which we explored as a class.

The children have amazed me with their insights into the characters and their feelings, and how they have changed throughout the book.

In Maths we have continued consolidating our knowledge around place value. Group one are learning value to a million and group two to a thousand, we will continue this next week as this knowledge will come in handy when we start addition and subtraction.

The children have enjoyed their computing lessons restarting, especially as the new topic is coding! I was really impressed with all the children's hard work on Tuesday! I cannot wait to see the finished games they create.

Over the last two weeks we have begun our new topic 'Super Humans', this week we learnt more about animal and human skeletons and why skeletons are so important.
