

Class 2 News

This week Class 2 have been busy with bears. We looked at a very old teddy and thought about how it was the same as and different to our new class bear.

We enjoyed having a teddy bears picnic in our class café and have been drawing and painting bears using different kinds of painting and drawing brushes, rollers and pens and pencils.

In maths we helped the bears practice careful counting with larger groups of objects and have begun to learn some new counting strategies like making small groups and counting on. We have also been learning about 0 which is a very important idea in maths and how to compare numbers to find more and less.

If you have any questions or worries please come and speak to me or contact the office anytime.

Wishing you a lovely weekend, Mrs Shannon and the Class 2 team xx
