

*Meeting Individual Needs*

8 January 2026

Dear Parent/Carer

## **SEVERE WEATHER PROCEDURES**

We would like to take this opportunity to remind you of our procedures in the event of severe weather.

As you will appreciate, the decision to close is always a difficult one and is made after careful consideration. I would like to assure you that school would only close if we are unable to meet the health & safety guidelines required to keep our school community safe.

If the school is closed, this will be announced via:

Telford & Wrekin Website: <http://schoolclosures.telford.gov.uk>

Main School Website: [www.haughtonschool.co.uk](http://www.haughtonschool.co.uk)

School Facebook Page: [www.facebook.com/haughtonschool](http://www.facebook.com/haughtonschool)

### **Text Message**

We will always try to make a decision as early as possible as we are fully aware that a full school closure may result in childcare issues.

If school is open but you feel your journey would put you and your child(ren) at risk, please put your safety first.

If we ever have a need to close the school during the day due to deteriorating weather conditions, contact home will be made to inform parents/carers of the time of the early closure. Please can you ensure that you are able to be contacted throughout the day. If you have recently changed your contact numbers, please ensure that school has the updated information. Children would not be sent home on transport without contact being made.

If you have any questions or queries, please do not hesitate to contact us at school.

Thank you.

Lisa Williams (Mrs)  
Headteacher
