

Class 14

16.1.26

Literacy

We have started reading *Matilda* by Roald Dahl this week. The children have been describing the characters and working on their punctuation using full stops, question

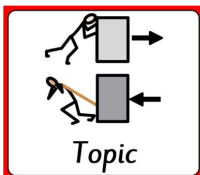

marks and exclamation marks. They also enjoyed designing a prank they would do to Mr Wormwood!

Numeracy

In Numeracy this week we have started looking at Multiplication and Division.

Some children have been grouping and sharing small amounts. Other have been practising how to write multiplication and division number sentences. And some have been working on their long multiplication and division.

Topic

Science

Topic

We have started our new Topic this week - *Feel the Force*. The children started by thinking about what they already know about forces.

They then took part in activities that included gravity, floating, friction and magnets. They had to think about how the activities worked and what was happening.

Class 14 have P.E. on a Tuesday and Thursday. All children need a full P.E. kit in school
