In Literacy this week we have continued reading our book '80 Days Around the World' we have enjoyed following Phileas Fogg on his adventures and learning about the different countries and animals whilst practising our tenses, fronted adverbial's, sequencing and diary writing.

In Numeracy this week the children have worked so hard on column multiplication and short division. The children have showed wonderful resilience.

In topic this week we discussed the difference between climates and weather and researched some weather facts from countries around the world.

Last week we loved playing in the snow! This week we have really enjoyed trying foods from India and Romania. In art this week we created jungle scenes with elephants, using paint with different techniques.
